A. REGISTRATION INFORMATION—UNCLASSIFIED STUDENTS

A student who wishes to register as an Unclassified Student must submit this completed Unclassified Student Registration Form, accompanied by the required fee, by the deadlines specified in the Calendar. This type of enrolment is described below.

NOTE: Enrolment is only open to those students who did not complete any courses in the previous term as admitted students.

- The student is permitted to register but is not admitted to the University. Previously admitted students may register as Unclassified Students, but such registration does not constitute readmission to the University. Students who have never previously been admitted to the University may attend as Unclassified Students.
- The student has second priority in registration after admitted students. Purchase of books is not recommended until registration is finalized.
- Students who have been required to withdraw from this or any other post-secondary institution within the last 12 months are not permitted to register as Unclassified Students.
- Transcripts of previous post-secondary work, and proof of English Language Proficiency, must be presented to the Registrar's Office if requested.
- Prerequisites must be met where applicable. Checking for prerequisites is the student's responsibility.
- The student is subject to a maximum registration limit of 10 three-credit courses as an Unclassified Student.
- Summer Session Unclassified Students may enrol in a maximum of two courses (six semester-hours) per session. Fall/Winter Unclassified Students will need special permission to enrol in more than two courses per semester (maximum of five).
- The Unclassified Student may apply for admission to the Fall or Spring Semester before the published deadlines through one of the approved admission routes. If an Unclassified Student applies to a program/faculty for a specific semester (Fall/Spring), the student cannot be registered for that same semester as an Unclassified Student.
- Upon admission, courses completed as an Unclassified Student may be counted toward the student's program, subject to the appropriate rules of the faculty/school.

B. CANCELLATIONS, WITHDRAWALS, AND REFUND

a. Cancellations

Registration may be cancelled up to and including the last day of Add/Drop for the Fall and Spring semesters and each Summer Session. A student may cancel his or her registration in person, by registered mail, or by using the "Cancel Courses" feature on the website.

b. Course Discontinuation

A student wishing to withdraw from any or all courses, or from the semester, after the Add/Drop period must notify the Office of the Registrar by submitting a Discontinuation Form obtained from the Office of the Registrar. The date this form is received by the Registrar will be the official withdrawal date for purposes of fee assessment. Failure to comply with this requirement results in the assignment of failing grades and full responsibility for fees. Students who mail their Discontinuation Form are encouraged to use Registered Mail.
